Date of Birth: 04/14/2023
Registration 1: BI106387

Courtesy of 4W Cattle Company

Lonesome was a twin that had to be bottle feed - He was bottle feed by Elayne until 7 months old! He has great colors, he is lovable and is turning into a fine young bull, he came out of one of my foundation cows that I still retain to this day! I will offer him for sale or lease once he is at 20 months old! He is going to be **BIG, BOLD AND HANDSOME** (virgin bull)
